

YOU ARE MY SUNSHINE

My only sunshine,
You make me happy
When skies are grey,

1

Do you know these songs . . . ?
“ You are my Sunshine “ ? “Twinkle
Twinkle little Star “ ?

If you sing or hum them today , you are
connecting with the theme for this year’s
Central Coast Kids Day Out Event :
“ SHINING BRIGHTLY “.

Children have a great capacity to shine
brightly and you are being invited to
participate in a special part of this year’s
C.C.K.D.O. event

It’s something new . . .

2

Would you be prepared to dedicate or create one craft /
art activity period in the first week of March to having
your kids create pictures of things that
shine or sparkle ? Things like the sun or the stars or the
sea ? Things that kids might see as bright and shiny ?

If you think you could do this, would you please send
photos of the art work produced to us at our
e-mail address and we will put them up on our website
as we move into the weeks leading up to our event.

3

All we need is
a **jpg photo** [using your phone] of the
drawing / art work / or craft work , the
child’s name [first name only] and **age**
and the **pre-school’s name**.
Send them to info@cckdo.org we would
love to hear from you !

For further information on
Central Coast Kids Day Out ,
